

Inner Spa's 4 Week Fat Fighting, Figure Enhancing Feel-Good Service Package

Committed to the Cause Weight Loss
in Four Weeks - **only \$1900**

A complete, guided program that includes all of the best natural weight loss & health enhancement services. Best for those who have difficulty losing weight and need continued encouragement with their weight loss efforts. *Optional payment plan available!*

Colonics – A toxic body is a sluggish body and is one that retains fat and harbors inflammation. Purging the system of accumulated waste will assist in stimulating eliminative organs, balance the digestive system, increase metabolism and enhance one's overall well-being. ***Watch the fat melt away!***

Body Contour Wraps - *Experience instant inch loss.* Always wondered how celebrities keep their figures smooth and toned? The secret is out and it's available as part of your 4 week weight loss package. Enjoy the same wrap that tightened, toned, detoxed and intrigued celebrities such as Paris Hilton, Paula Abdul, Kevin Sorbo, Jean Smart, Jennifer Scioli, Karina Smirnoff, Jackie Collins and more! This wrap was huge hit at The Emmy's, The Oscars and The Country Music Awards. Come in feeling toxic, jiggly and bloated. Leave feeling refreshed, smooth and toned. You'll lose at least **6 inches in the very first session** while the other three sessions will continue to melt away inches, detox your body and provide an exciting, new figure.

Acupuncture - A time tested practice that helps detox and support the liver, stimulate metabolism, bring balance to the body and increase digestive function. A finishing step to attain your weight loss goals.
